

## References

Allen, E., 2008. *Body language : advanced 3D character rigging*. 1st ed. Sybex.

This book helped my understand the rigging process. It is more suitable for a junior rigger to read.

Cunningham, W., Iversen, J., Johnson, D. and Bowmar, P., 2006. *The magic of Houdini*. 1st ed.

This books helped my learn more about Houdini. It is not a rigging book but it gave me a lot important information for Houdini Software.

Ritchie, K., Callery, J. and Biri, K., 2006. *The Art of rigging: a definitive guide to character technical direction in Alias Maya; Volume 1*. 1st ed. CG Toolkit.

This books helped me most. It told about the software use in industry. It is more suitable for a senior rigger to read.
